- Experienced and skilled manpower.
- Excellent service after sales team across India subcontinent. Through testing of transformer servo voltage stabilizer as per applicable standards.
- Strong base of repeat customer and industrial user. Super strong process check at every stage during manufacturing.

# ALWAYS A STEP AHEAD IN TECHNOLOGY

## POWER TRANSFORMER

- HT Transformer
- OLTC Transformer
- Furnace Transformer
- Isolation Transformer
- CVT

## SERVO VOLTAGE STABILIZER

- Microprocessor Servo Voltage Stabilizer
- Static Voltage Stabilizer
- Linear Type Servo Voltage Stabilizer

## WELDING MACHINES

- TIG Welding Machine
- AC/DC TIG Welding Machine
- MIG Welding Machine
- Projection Welding Machine
- Seam Welding Machine
- Pneumatic Spot Welding Machine
- Pedal Spot Welding Machine
- Laser Welding Machine
- Hand Spot Welding Machine
- Pneumatic Hot Staking Welding Machine
- ARC Welding Machine

## OUR GOVERNMENT SECTOR CLIENTS

## OUR PRIVATE SECTOR CLIENTS

## OUR COMPLETE RANGE

- Servo Voltage Stabilizer • Online UPS •
- Air Plasma Cutting Machine •
- Power Transformer • LT Panel •
- Furnace Transformer • Isolation Transformer •
- Constant Voltage Transformer •
- Electroplating Rectifier • Power Factor Panel •
- Laser and all Welding Machine •
